(516) 225 - 9801 | Availability: January - July 2025

## EDUCATION

Northeastern University, Boston, MA

September 2022 -

Present

Khoury College of Computer Sciences

Expected: May 2026

*Candidate for Bachelor of Science in Computer Science*

Coursework: Computer Systems, Algorithms and Data, Artificial Intelligence, Object Oriented Design,  
Fundamentals of Computer Science 1 & 2, Discrete Structures

Activities: Software Engineer at Electric Racing Club, Northeastern Division 1 Basketball Student Manager

## TECHNICAL SKILLS

**Languages:** Python | Java | JavaScript | HTML/CSS | TypeScript

**Frameworks:** React | Node.js | Flask | Pygame | NumPy | Pandas

**Tools:** Git | Docker | GitHub Actions | Linux | Shell

## PROJECTS

**Personal Portfolio Website** | *React, JavaScript, HTML/CSS, Vite*

July 2024

- Designed a responsive personal portfolio website using React and Vite, showcasing projects and skills
- Implemented interactive UI components, enhancing user experience and engagement across various devices
- Utilized modern front-end technologies and best practices to ensure fast load times and seamless navigation
- Deployed the website using a continuous integration pipeline, ensuring smooth updates and minimal downtime

**Video Management API** | *Python, Flask, SQLite*

April 2024

- Developed a RESTful API using Flask and Flask-RESTful for managing video data stored in a SQLite database
- Adopted CRUD operations for video resources, utilizing HTTP methods to manage data effectively
- Leveraged Flask's development server for local testing and debugging, ensuring API functionality and responsiveness

**Reversi Game** | *Java*

December 2023

- Spearheaded a group of three in constructing multiple game modes of Reversi using Java
- Revised and debugged 5000+ lines of code to decrease run time
- Formulated multiple strategies for an automated, computer-based player for solo gameplay
- Exercised expertise in algorithms and data types to reduce execution time

## WORK EXPERIENCE

**Elegant II Valet, LONG BEACH NY**

April-September 2023

*Valet Assistant Manager*

- Supervised over 100 automobiles within an hour during busy events including efficient parking and retrieval
- Collaborated closely with event organizers, wedding planners, and restaurant staff to coordinate parking logistics, ensuring seamless operations and guest satisfaction
- Ensured a positive and welcoming experience at a variety of hotels, wedding venues, and restaurants

**New York Titans Athletics, QUEENS NY**

January 2020-August

2022

*Trainer and mentor*

- Orchestrated engaging basketball sessions for groups of 8-12-year-olds, both in-person and via Zoom during the pandemic
- Innovatively transformed training into exciting adventures, seamlessly blending fun and skill-building, with creative drills and games.
